## HARBOR, RIVER AND MARINE NEWS

### Shipping Transactions and Notes of Interest Along The Bay Front.

The Mexican steamship Oaxaca, Whetena master, entered yesterday to John Merritt from New Orleans, in transit. She came in for coal.

The steam yacht Sanibel, a trim little vessel of New York, came into Pensacola yesterday, and put up at the Baylen street wharf to take on supplies. The owner is making a pleasure cruise around the gulf.

The steamer Manteo left last night for Mobile. Besides carrying a large cargo of freight, the vessel also carried more than a hundred passengers. A ball game at Mobile today is the attraction and the Manteo put on a special excursion rate.

Many of the fishing smacks are in port and nearly all will remain until after the second primary so that the fishermen may have an opportunity to vote.
